APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This temporary permit to change the place of use and manner of use of a portion of the waters of the Truckee River as heretofore granted under Claim numbers 474 and 475, Truckee River Final Decree is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein.

This temporary permit does not extend the permittee the right of ingress and egress on public, private or corporate lands.

The issuance of this permit does not waive the requirements that the permit holder obtain other permits from State, Federal and local agencies.

The total combined duty of water under Permits 58568-T and 58569-T shall not exceed 210.32 acre-feet annually.

Water measuring devices and totalizing meters must be installed and accurate records must be kept of the water diverted and placed to beneficial use.

A monthly report of the water diverted and placed to beneficial use must be submitted to the State Engineer and Federal Water Master on a quarterly basis within 15 days after the end of each calendar quarter.

This temporary permit is issued pursuant to the provisions of NRS 533.345 Section 2 and will expire on April 18, 1994 at which time all rights herein granted shall revert to the right being changed by this temporary permit.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.9446 cubic feet per second, but not to exceed 151.03 acre-feet as decreed.

Work must be prosecuted with reasonable diligence and be completed on or before.....

Proof of completion of work shall be filed before.....

Application of water to beneficial use shall be made on or before.....

Proof of the application of water to beneficial use shall be filed on or before.....

Map in support of proof of beneficial use shall be filed on or before.....

Completion of work filed.....
Proof of beneficial use filed.....
